

Invitation—60th Anniversary Celebrations

Servas started off as a group of "Peacebuilders" in 1949. After 60 successful years of travel + education + service for peace and social justice, it is now more important than ever to strengthen relationships and understanding, and grow the network among younger travelers.

To celebrate our success stories and to plan for the future, we invite you to our celebrations in March 2010. Please bring a memorable photo along with a short description of "what Servas means to you"
